[51mix#001] has been mixed by using the very nice and freely downloadable Mixxx digital DJ software <http://mixxx.sourceforge.net/>

51mix is the 51beats project where we start to promote mixes and selections from the worldwide netlabels scene. Robidat is involved in the djing since 1991, and with [51mix#001] he starts to mix his favourite netlabels tracks. [51mix#001] starts "Robidat Statico", a very exciting new experience
